For All Students

FORM 3

IMMUNIZATION POLICY ACKNOWLEDGMENT

THE ROMAN CATHOLIC ARCHDIOCESE OF WASHINGTON – Catholic Schools

ALL PARENTS OF STUDENTS ATTENDING ARCHDIOCESAN CATHOLIC SCHOOLS IN MARYLAND MUST READ THIS FORM, SIGN BELOW, AND RETURN IT TO YOUR CHILD'S SCHOOL WITH THE MSDE OFFICE OF CHILD CARE IMMUNIZATION CERTIFICATE (ADAPTED FOR USE BY ARCHDIOCESAN SCHOOLS).

To All Parents of Students in Archdiocesan Catholic Schools in Maryland

It is the policy of the Archdiocese of Washington that all students attending schools in the archdiocese (PreK, K-12, and extended care programs) must be fully immunized in accordance with the immunization requirements against contagious diseases published by the local department of health. If your child has a valid medical contraindication to being immunized, and such contraindication is documented by a physician, an exemption may be permitted for the length of time certified as necessary by the child's physician.

Immunization in accordance with the Archdiocese of Washington's policy is a condition for admission into all archdiocesan Catholic schools. To be admitted to attend classes, there must be two forms related to immunization on file at your child's school by the first day of school, and they are:

1. THIS FORM, completed and signed; and
2. Maryland State Department of Education, Office of Child Care Health Inventory & Immunization Certificate, (adapted for use by Archdiocese of Washington's Catholic Schools in Maryland) signed by a medical provider and parents.

Acknowledgment

To All Parents/Guardians: Please provide the following information and sign below to acknowledge that you understand and agree to this policy.

Child's Name: _____
Last *First* *M.I.* *(Jr,. III)*

School: _____ Sex: ☐ *Male* ☐ *Female* Date of Birth: _____ *mm/dd/yyyy*

Parent/Guardian Name: _____ Home Phone: ( )

BMI % tile		
Developmental Screening		

6. Is the child on medication?
☐ No ☐ Yes, indicate medication and diagnosis:
Medication Authorization Form must be completed to administer medication in child care).

7. Should there be any restriction of physical activity in child care?
☐ No ☐ Yes, specify nature and duration of restriction:

8. Are there any dietary restrictions?
☐ No ☐ Yes, specify nature and duration of restriction:

9. **RECORD OF IMMUNIZATIONS** – MDH 896 or other official immunization document (e.g. military immunization record of immunizations) is required to be completed by a health care provider **or** a computer generated immunization record must be provided.

10. **RECORD OF LEAD TESTING -** MDH 4620 or other official document is required to be completed by a health care provider.

Under Maryland law, all children younger than 6 years old who are enrolled in child care must receive a blood lead test at 12 months and 24 months of age. Two tests are required if the 1st test was done prior to 24 months of age. If a child is enrolled in child care during the period between the 1st and 2nd tests, his/her parents are required to provide evidence from their health care provider that the child received a second test after the 24 month well child visit. If the 1st test is done after 24 months of age, one test is required.

Lines 2 and 3 are for certification of vaccines given after the initial signature.

Clinic / Office Name
Office Address/ Phone Number

COMPLETE THE APPROPRIATE SECTION BELOW IF THE CHILD IS EXEMPT FROM VACCINATION ON MEDICAL OR RELIGIOUS GROUNDS. ANY VACCINATION(S) THAT HAVE BEEN RECEIVED SHOULD BE ENTERED ABOVE.

MEDICAL CONTRAINDICATION:

Please check the appropriate box to describe the medical contraindication.

This is a: ☐ Permanent condition OR ☐ Temporary condition until _____/_____/_____
Date

The above child has a valid medical contraindication to being vaccinated at this time. Please indicate which vaccine(s) and the reason for the contraindication, _____

Signed: _____ Date _____
Medical Provider / LHD Official

RELIGIOUS OBJECTION:

I am the parent/guardian of the child identified above. Because of my bona fide religious beliefs and practices, I object to any vaccine(s) being given to my child. This exemption does not apply during an emergency or epidemic of disease.

Signed: _____ Date: _____

How To Use This Form

The medical provider that gave the vaccinations may record the dates (using month/day/year) directly on this form (check marks are not acceptable) and certify them by signing the signature section. Combination vaccines should be listed individually, by each component of the vaccine. A different medical provider, local health department official, school official, or child care provider may transcribe onto this form and certify vaccination dates from any other record which has the authentication of a medical provider, health department, school, or child care service.

Only a medical provider, local health department official, school official, or child care provider may sign 'Record of Immunization' section of this form. This form may not be altered, changed, or modified in any way.

Notes:

1. When immunization records have been lost or destroyed, vaccination dates may be reconstructed for all vaccines except **varicella, measles, mumps, or rubella.**

2. Reconstructed dates for all vaccines must be reviewed and approved by a medical provider or local health department no later than 20 calendar days following the date the student was temporarily admitted or retained.

3. Blood test results are NOT acceptable evidence of immunity against diphtheria, tetanus, or pertussis (DTP/DTaP/Tdap/DT/Td).

4. Blood test verification of immunity is acceptable in lieu of polio, measles, mumps, rubella, hepatitis B, or varicella vaccination dates, but **revaccination may be more expedient**.

5. History of disease is NOT acceptable in lieu of any of the required immunizations, except varicella.

Immunization Requirements

The following excerpt from the MDH Code of Maryland Regulations (COMAR) 10.06.04.03 applies to schools:

"A preschool or school principal or other person in charge of a preschool or school, public or private, may not knowingly admit a student to or retain a student in a:
(1) Preschool program unless the student's parent or guardian has furnished evidence of age appropriate immunity against Haemophilus influenzae, type b, and pneumococcal disease;
(2) Preschool program or kindergarten through the second grade of school unless the student's parent or guardian has furnished evidence of age-appropriate immunity against pertussis; and
(3) Preschool program or kindergarten through the 12th grade unless the student's parent or guardian has furnished evidence of age-appropriate immunity against: (a) Tetanus; (b) Diphtheria; (c) Poliomyelitis; (d) Measles (rubeola); (e) Mumps; (f) Rubella; (g) Hepatitis B; (h) Varicella; (i) Meningitis; and (j) Tetanus-diphtheria-acellular pertussis acquired through a Tetanus-diphtheria-acellular pertussis (Tdap) vaccine."

Please refer to the "**Minimum Vaccine Requirements for Children Enrolled in Pre-school Programs and in Schools**" to determine age-appropriate immunity for preschool through grade 12 enrollees. The minimum vaccine requirements and MDH COMAR 10.06.04.03 are available at www.health.maryland.gov. (Choose Immunization in the A-Z Index)

Age-appropriate immunization requirements for licensed childcare centers and family day care homes are based on the Department of Human Resources COMAR 13A.15.03.02 and COMAR 13A.16.03.04 G & H and the **"Age-Appropriate Immunizations Requirements for Children Enrolled in Child Care Programs"** guideline chart are available at www.health.maryland.gov. (Choose Immunization in the A-Z Index)

For all PK3 & All New Students

MARYLAND DEPARTMENT OF HEALTH BLOOD LEAD TESTING CERTIFICATE

Instructions: Use this form when enrolling a child in child care, pre-kindergarten, kindergarten or first grade. **BOX A** is to be completed by the parent or guardian. **BOX B**, also completed by parent/guardian, is for a child born before January 1, 2015 who does not need a lead test (children must meet all conditions in Box B). **BOX C** should be completed by the health care provider for any child born on or after January 1, 2015, and any child born before January 1, 2015 who does not meet all the conditions in Box B. **BOX D** is for children who are not tested due to religious objection (must be completed by health care provider).

BOX A-Parent/Guardian Completes for Child Enrolling in Child Care, Pre-Kindergarten, Kindergarten, or First Grade

CHILD'S NAME _____ (LAST) _____ (FIRST) _____ (MIDDLE)

MDH FORM 4620 REVISED 4/2020 REPLACES ALL PREVIOUS VERSIONS

HOW TO USE THIS FORM

The documented tests should be the blood lead tests at 12 months and 24 months of age. Two test dates and results are required if the first test was done prior to 24 months of age. If the first test is done after 24 months of age, one test date with result is required. The child's primary health care provider may record the test dates and results directly on this form and certify them by signing or stamping the signature section. A school health professional or designee may transcribe onto this form and certify test dates from any other record that has the authentication of a medical provider, health department, or school. All forms are kept on file with the child's school health record.

Lead Risk Assessment Questionnaire Screening Questions:

1. Lives in or regularly visits a house/building built before 1978 with peeling or chipping paint, recent/ongoing renovation or remodeling?
2. Ever lived outside the United States or recently arrived from a foreign country?
3. Sibling, housemate/playmate being followed or treated for lead poisoning?
4. If born before 1/1/2015, lives in a 2004 "at risk" zip code?
5. Frequently puts things in his/her mouth such as toys, jewelry, or keys, eats non-food items (pica)?
6. Contact with an adult whose job or hobby involves exposure to lead?
7. Lives near an active lead smelter, battery recycling plant, other lead-related industry, or road where soil and dust may be contaminated with lead?
8. Uses products from other countries such as health remedies, spices, or food, or store or serve food in leaded crystal, pottery or pewter.

Vaccine Requirements For Children
Enrolled in Preschool Programs and in Schools — Per DHMH COMAR 10.06.04.03
Maryland School Year 2023 - 2024 (Valid 9/1/23 - 8/31/24)

Required cumulative number of doses for each vaccine for PRESCHOOL aged children enrolled in educational programs

Vaccine / Child's Current Age	DTaP/DTP/DT[1]	Polio[2]	Hib[3]	Measles,[2,4] Mumps, Rubella	Varicella[2,4,5] (Chickenpox)	Hepatitis B[2]	PCV[3] (Prevnar™)
Less than 2 months	0	0	0	0	0	1	0
2 - 3 months	1	1	1	0	0	1	1
4 - 5 months	2	2	2	0	0	2	2
6 - 11 months	3	3	2	0	0	3	2
12 - 14 months	3	3	At least 1 dose given after 12 months of age	1	1	3	2
15 - 23 months	4	3	At least 1 dose given after 12 months of age	1	1	3	2
24—59 months	4	3	At least 1 dose given after 12 months of age	1	1	3	1
60 - 71 months	4	3	0	2	1	3	0

Required cumulative number of doses for each vaccine for children enrolled in KINDERGARTEN - 12th grade

Grade Level / Grade	(Ungraded)	DTaP/DTP/Tdap/ DT/Td[1,6]	Tdap[6]	Polio[2]	Measles,[2,4] Mumps, Rubella	Varicella[2,4,5] (Chickenpox)	Hepatitis B[2]	Meningococcal (MCV4)
Kindergarten, Grade 1, 2, 3, 4 5 & 6	(5 –11 yrs)	3 or 4	0	3	2	2	3	0
Grades 7, 8 & 9	(11 -13 yrs)	3 or 4	1	3	2	2	3	1
Grades 10, 11 & 12	(13 - 18yrs)	3 or 4	1	3	2	1 or 2	3	1

*** See footnotes on back for 2023-24 school immunization requirements.**

Vaccine Requirements For Children
Enrolled in Preschool Programs and in Schools
Maryland School Year 2023 – 2024 (Valid 9/1/23 - 8/31/24)

FOOTNOTES

Requirements for the 2023-24 school year are:

- **2 doses of Varicella vaccine for entry into Kindergarten, 1st, 2nd, 3rd, 4th, 5th, 6th, 7th, 8th AND 9th grades**

Instructions: On the chart locate the student's age or grade and read from left to right on the chart to determine the NUMBER of required vaccinations by age or grade. Dosing or spacing intervals should not be considered when determining if the requirement is met, only count the number of doses needed. MMR and Varicella vaccination dates should be evaluated (See footnote #4).

1. If DT vaccine is given in place of DTP or DTaP, a physician documented medical contraindication is required.
2. Proof of immunity by positive blood test is acceptable in lieu of vaccine history for hepatitis B, polio and measles, mumps, rubella and varicella, **but revaccination may be more expedient.**
3. Hib and PCV (Prevnar™) are not required for children older than 59 months (5 years) of age.
4. All doses of measles, mumps, rubella and varicella vaccines should be given on or after the first birthday. However, upon record review for students in preschool through 12th grade, a preschool or school may count as valid vaccine doses administered less than or equal to four (4) days before the first birthday.
5. Two doses of varicella vaccine are required for students entering Kindergarten, 1st, 2nd, 3rd, 4th, 5th, 6th, 7th, 8th and 9th grades and for previously unvaccinated students 13 years of age or older. Medical diagnosis of varicella disease is acceptable in lieu of vaccination. Medical diagnosis is documented history of disease provided by a health care provider. Documentation must include month and year.
6. Four (4) doses of DTP/DTaP are required for children less than 7 years old. Three (3) doses of tetanus and diphtheria containing vaccine (any combination of the following — DTP, DTaP, Tdap, DT or Td) are required for children 7 years of age and older. One dose of Tdap vaccine received prior to entering 7th grade is acceptable and should be counted as a dose that fulfills the Tdap requirement.
7. Polio vaccine is not required for persons 18 years of age and older.
